

Fill Your Eyes 2023

Curated Group Exhibition and Exchange (Visual Arts)

Curators: Rhi Johnson & Peta Berghofer

[Supporting Documentation, Original Work Submission Year: 2023]

Fill Your Eyes explores the expansive field of two-dimensional arts practice, including Printmaking, Painting and Drawing. Leveraging print exchange traditions and deploying these in a broader context, this project involves both an exhibition and an artwork exchange. Participants were asked to submit a postcard-sized work, or multiple works, and in return have received a randomly chosen work or works from another participating artist or artists.

Fill Your Eyes 2023 featured artwork from over 80 artists, and over 350 works were exhibited. These artists represent members of SoCA staff, student cohort, alumni, and broader community.

Exhibition location: UniSQ A Block Foyer Gallery, Toowoomba Campus

Exhibition dates: 8 – 31 March 2023

University of
Southern
Queensland

FILL YOUR EYES: EXHIBITION CALLOUT

Fill Your Eyes explores the expansive field of two-dimensional arts practice, including Printmaking, Painting and Drawing.

Drawing on print exchange traditions and deploying these in a broader context, this project will involve both an exhibition and an artwork exchange.

Participants are asked to submit a postcard-sized work, or multiple works. These works will be exhibited, then exchanged with other artists in the show.

Important: By entering work into this show, you acknowledge that this work will not be returned to you. Instead, you will receive a randomly chosen work or works from another participating artist.
