Flexible learning for a flexible society [electronic resource] : refereed proceedings of the ASET/HERDSA 2000 Joint International Conference. University of Southern Queensland Toowoomba, Queensland. 2-5 July 2000 / edited by Lesley Richardson and John Lidstone

Bib ID	2711140
Format	Book
Author	ASET/HERDSA Joint International Conference, (2000: Toowoomba, Qld.)
Description	Toowoomba, Qld.: University of Southern Queensland, 2000 1 computer optical disc; 4 3/4 in.
Technical Details	System requirements: Windows: Pentium; Windows95 or better; 16MB RAM or better; video display capable of 600x800 pixels and 256 colours; quad speed CD-ROM drive System requirements: Apple Macintosh: PowerPC; system 7.6.1 or better, 16MB RAM or better; video display capable of 600x800 pixels and 256 colours; quad speed CD-ROM drive
Notes	Title from container.
Subjects	Selected for preservation. High priority. <u>Independent study - Congresses.</u> <u>Open learning - Congresses.</u>
Other authors/contributors	Lidstone, John Richardson, Lesley Higher Education Research and Development Society of Australasia University of Southern Queensland Australian Society for Educational Technology
