

Appendix 6.7

Autumn trial

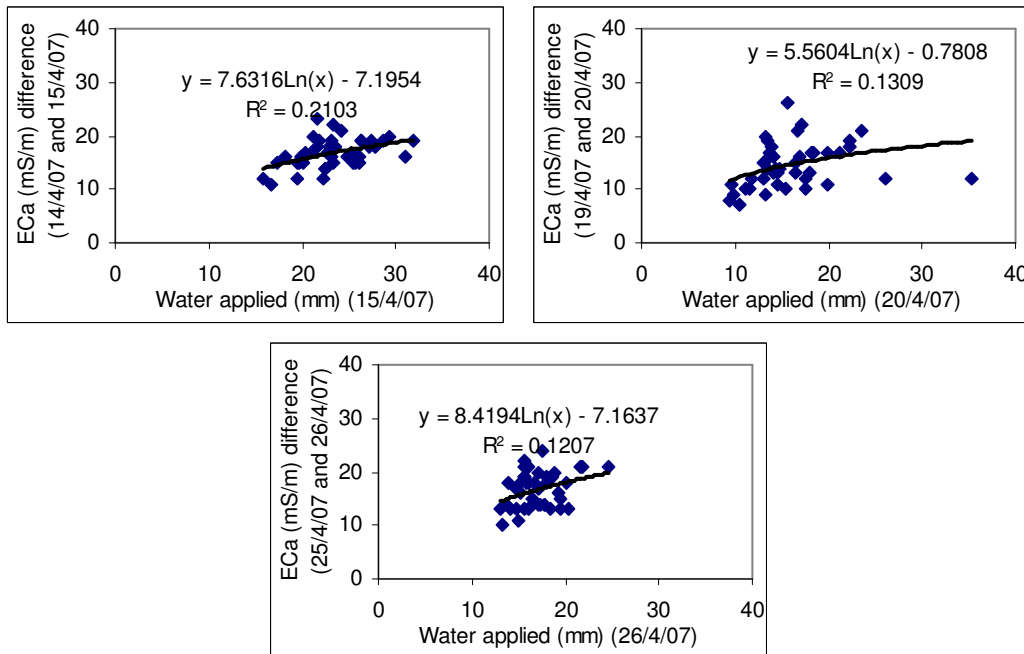

Water applied and horizontal mode Δ ECa correlation for the Poor-1 grid (autumn trial)

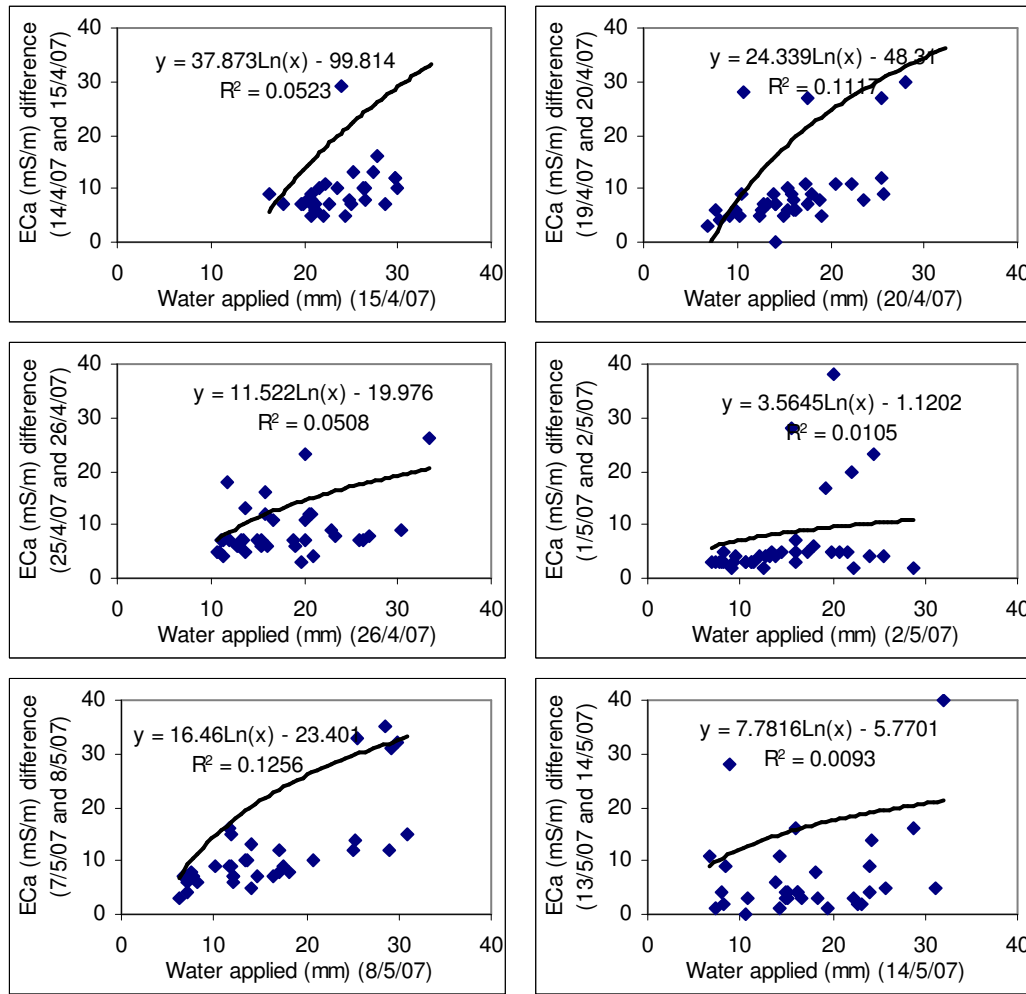

Water applied and horizontal mode Δ ECa correlation for the Poor-2 grid (autumn trial)

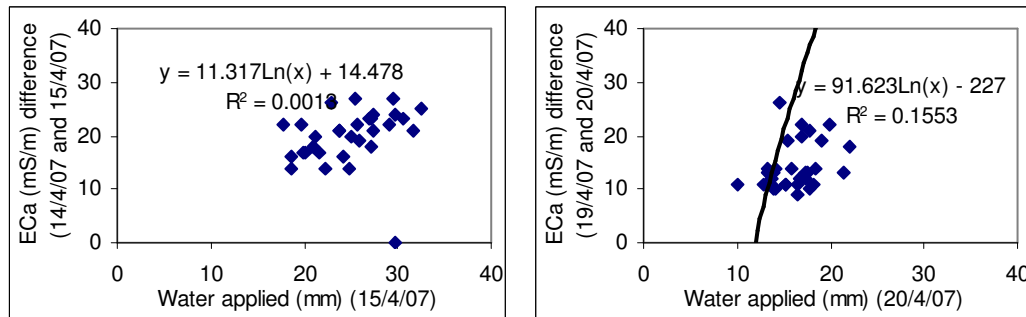

Water applied and horizontal mode Δ ECa correlation for the Control grid (autumn trial)

Water applied and vertical mode Δ ECa correlation for the Poor-1 grid (autumn trial)

Water applied and vertical mode Δ ECa correlation for the Poor-2 grid (autumn trial)

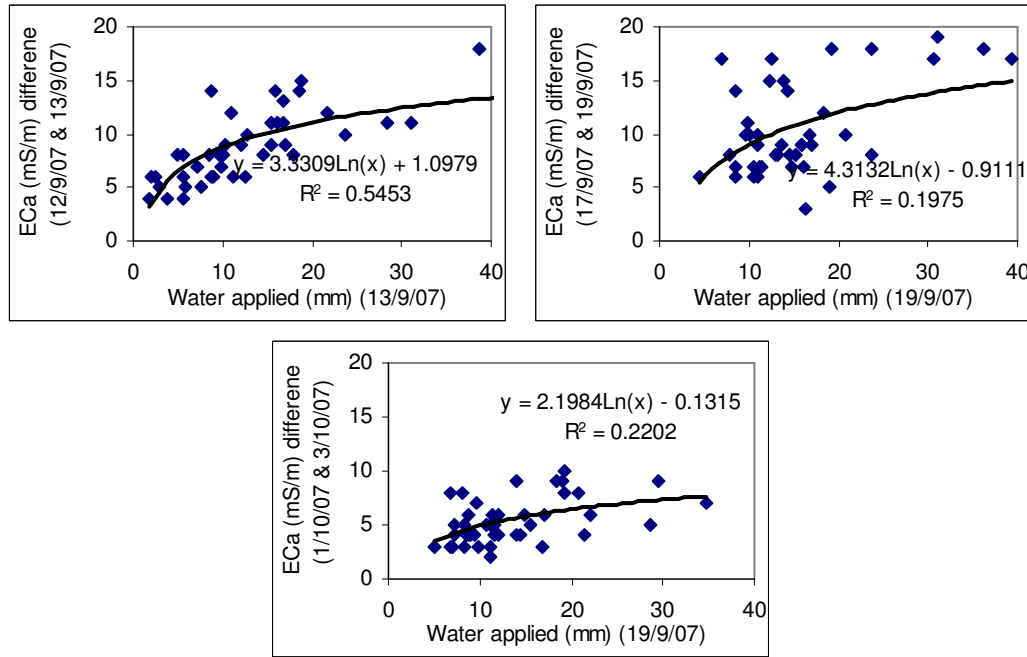

Water applied and vertical mode Δ ECa correlation for the Control (autumn trial)

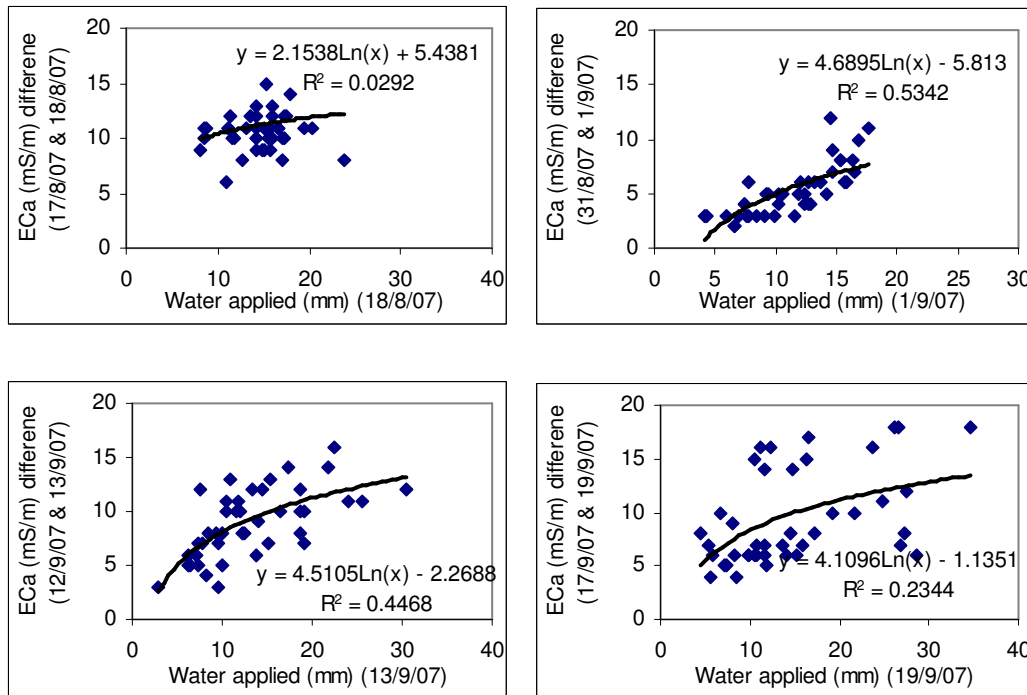

Winter trial

Water applied and horizontal mode Δ ECa correlation for Poor-1 grid (winter trial)

Water applied and horizontal mode Δ ECa correlation for Poor-2 grid (winter trial)

Water applied and horizontal mode Δ ECa correlation for Control grid (winter trial)
