

8th International Conference on Education

INEAG Conference Venue,
Kambos Vourlioton, 83100, Samos, Greece, Greece

Keep in mind - this conference has ended!

The aim of 8th ICE Conference is to bring together academicians and practitioners with research interests in the field of Education.

The conference provides a forum for disseminating new research findings, practices and techniques in Education and exchanging ideas among academicians and practitioners to promote a better understanding of contemporary issues and solutions to the challenges in the region's Education. This conference would encourage the young generation to pursue research interests in the areas of Education.

[http: /www.ineag.gr/ice/index.php/registration.html](http://www.ineag.gr/ice/index.php/registration.html).

The background of the poster features a large, stylized yellow number '8' with 'th' as a superscript, followed by 'ICE' in a bold, sans-serif font. Below 'ICE' is the text 'Samos 2012'. A diagonal banner across the top left contains the text 'July 05 - 07, 2012 Samos Island, Greece'. The INEAG logo is in the top left corner. The bottom half of the poster has a yellow banner with the text 'International Conference on Education'. The background is a collage of green and yellow geometric shapes and a close-up of a compass rose.
