190 About the Contributors

anthologies, including works on Asian cinema, asexuality, contemporary art and *Alice in Wonderland*.

Marcus K. Harmes (University of Southern Queensland) is the author of works on British science fiction and horror cinema including several on the series *Doctor Who*, and has edited collections on popular media and nuns, police and *Doctor Who*. He lectures in legal history and the humanities.

Meredith A. Harmes teaches communication in the enabling programs at the University of Southern Queensland in Australia. She holds an honors political science degree from the University of Queensland, and a Graduate Diploma of Journalism and a Master's of Public Relations from the University of Southern Queensland.

Susan Hopkins is an associate professor of communications based in UniSQ College at the University of Southern Queensland, Springfield campus, Australia. She holds a PhD in social science and a Masters (Research) in education. Her research interests include gender and media studies.

Hiju Kim is a doctoral candidate in the Department of European Languages and Transcultural Studies at UCLA. She has researched a range of art, film and media topics, including the Watts Towers and the contemporary reception of Federico Fellini's films in East Asia. She is also a writer, editor and translator for Korean pop culture media outlets.

Sony Jalarajan Raj is an assistant professor at the Department of Communication, MacEwan University, Edmonton, Canada. He is a professional journalist turned academic who has worked at numerous worldwide outlets. He was the recipient of the Reuters Fellowship and is a Thomson Foundation (UK) Fellow in Television Studies with the Commonwealth Broadcasting Association Scholarship.

Adith K. Suresh is a research assistant at the Department of Communication, MacEwan University, Canada. He holds a master's degree in English language and literature from Mahatma Gandhi University. His research interest includes film studies, literary criticism, and South Asian cultural studies.

Michelle D. Wise teaches English and literature at Tennessee State University. Her areas of studies are film studies, Victorian literature, popular culture studies, gender/women's studies, and children's literature. She has a particular affinity for horror films and is especially interested in the treatment of women/Othered individuals in this genre.
