# Pothole People Qld

## Quote Conditions:

Proposal includes one establishment additional establishments will be \$1500 Plus Gst, \$1800 plus gst for out of normal hours work

- Any Site INDUCTIONS more than 20 minutes in duration will be charged at \$90 plus Gst per hour or part thereof (per person) This includes online Inductions
- If Areas are not prepared by PHP, and vary in depth and more asphalt is required you will be charged at \$495 per tonne or part of, this rate includes all transport, material and labour costs.
- Tonnage rate is for supply and lay only, If any extra preparation is required there will be extra charges applied.
- If preparation completed by others PHP will not be responsible if the subgrade work sinks and therefore the seal.
- INDUCTIONS, Testing, Traffic Control and Linemarking not included.

## Soft Areas Disclaimer:

If areas are found to still be soft after the quoted area has been excavated- There may be need to go deeper at an extra cost - You will be advised before this happens and a variation will need to be discussed.

- Pricing subject to site inspection
- Waiting time may apply (if we are delayed by others, outside our control); Patch Crew @ \$550.00 per hour & Paving Crew @ \$850.00 per hour
- Cancellation fee will be charged at \$750 plus gst if less than 24 hours notice provided for any other reason other than weather.
- Pothole people is not responsible for damage to underground services that is not at the correct depth.
- Please note this is during normal hours- 6am- 230pm, anything outside these hours will be charged at 25%
- Any paperwork required for works will be charged at \$85 per hour or part thereof.
- Crack sealing only: Not all cracks may need to be sealed, our tech will determine which cracks need doing and these will be repaired. This is only a preventive measure.
- **Chip seal or 2 coat seal options if applicable;** We do not always recommend this as its not as durable as an asphalt seal, Forklift or hard tyred vehicles have the potential to cause severe damage or failure to 2 coat seal and as such should not be driven or turned directly on the surface.

This quote applies to work carried out in business hours, (Unless otherwise stated) work carried out of business hours will incur a surcharge. This quote is subject to our terms of trade available on our website: [Here](#)
