Hi Debbie,

This paper has now been published. There is already an e-print record but that needs to have the year/vol/no etc changed and added.

Thanks,
Joachim

Are Anthropogenic Aerosols Responsible for the Northwest Australia Summer Rainfall Increase? A CMIP3 Perspective and Implications

Dear Dr. Cai,

I am pleased to accept for publication in the Journal of Climate the revised paper titled "Are anthropogenic aerosols responsible for the northwest Australia summer rainfall increase? A CMIP3 perspective and implications" (JCLI-3832) by Wenju Cai, Tim Cowan, Arnold Sullivan, Joachim Ribbe, Ge Shi. Your paper will be forwarded to the AMS:

Gwendolyn Whittaker
Publications Coordinator
American Meteorological Society
45 Beacon Street
Boston, MA 02108-3693
email: gwhittaker@ametsoc.org

You will receive an automated confirmation of receipt of your paper when the final decision is entered in the AMS database. You may contact Gwendolyn Whittaker directly with any further questions regarding this manuscript.

Congratulations!

Sincerely,

Dr. James Renwick
