Come join us in the Mindfield (Function Room 5)

Overwhelmed with ideas? Need to bounce some thoughts around? Want to explore some more, or take the conversation a little further, or deeper?

The Mindfield is a dedicated thinking space for open discussion and/or facilitated exploration of key issues and themes raised by the conference. It's a great place to reflect, to think, to develop your own ideas about education, the law and other forms of risky business.

Look for the Mindfield sign and session times (it's open almost all the time!).

See you in there!
