### Spatial pattern of water and lettuce growth and yield (Poor-1 grid winter trial)

Spatial pattern of (a) cumulative water (mm) (3/10/07) (b) canopy area (cm<sup>2</sup>) (3/10/07) and (c) head size (cm) (3/10/07) for the Poor-1 grid (winter trial). Stars indicate sprinklers

**Spatial pattern of harvested lettuce (a) head size (cm) (b) head weight (grams) and marketable heads for the Poor-1 grid (winter trial). Stars indicate sprinklers**
