

Appendix 8.5

Autumn trial

Relationships of cumulative water application and canopy area for the Poor-1 grid (autumn trial)

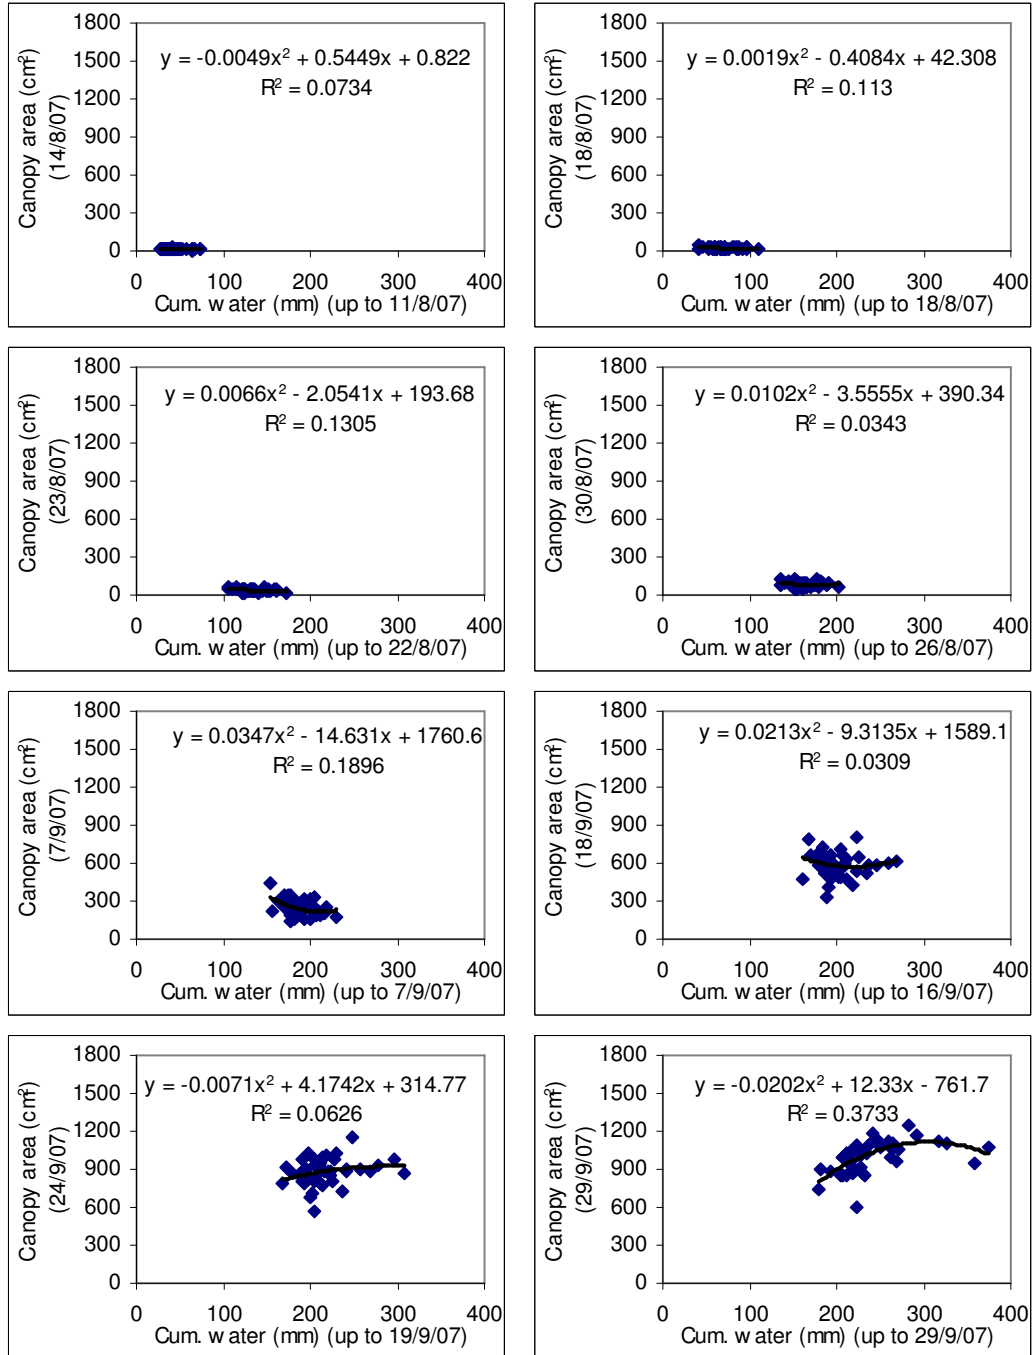

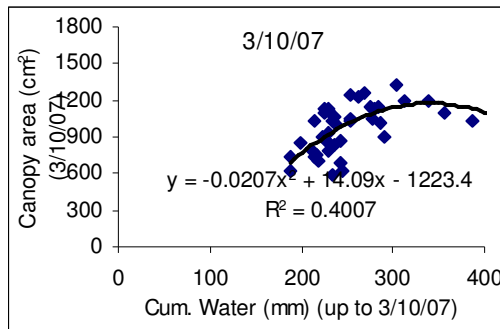

Relationships of cumulative water application and head diameter (autumn trial)

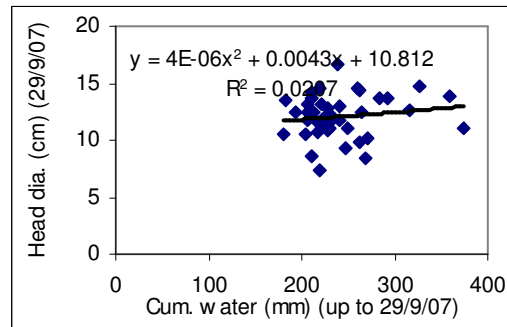

Winter trial

Relationships of cumulative water application and canopy area Poor-1 grid (winter trial)

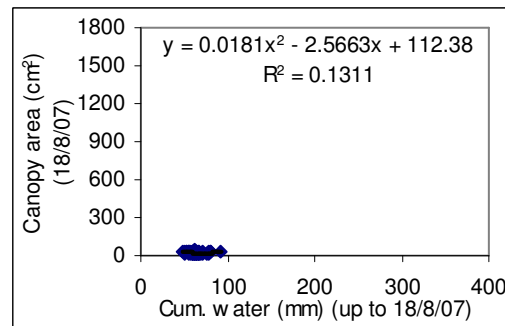

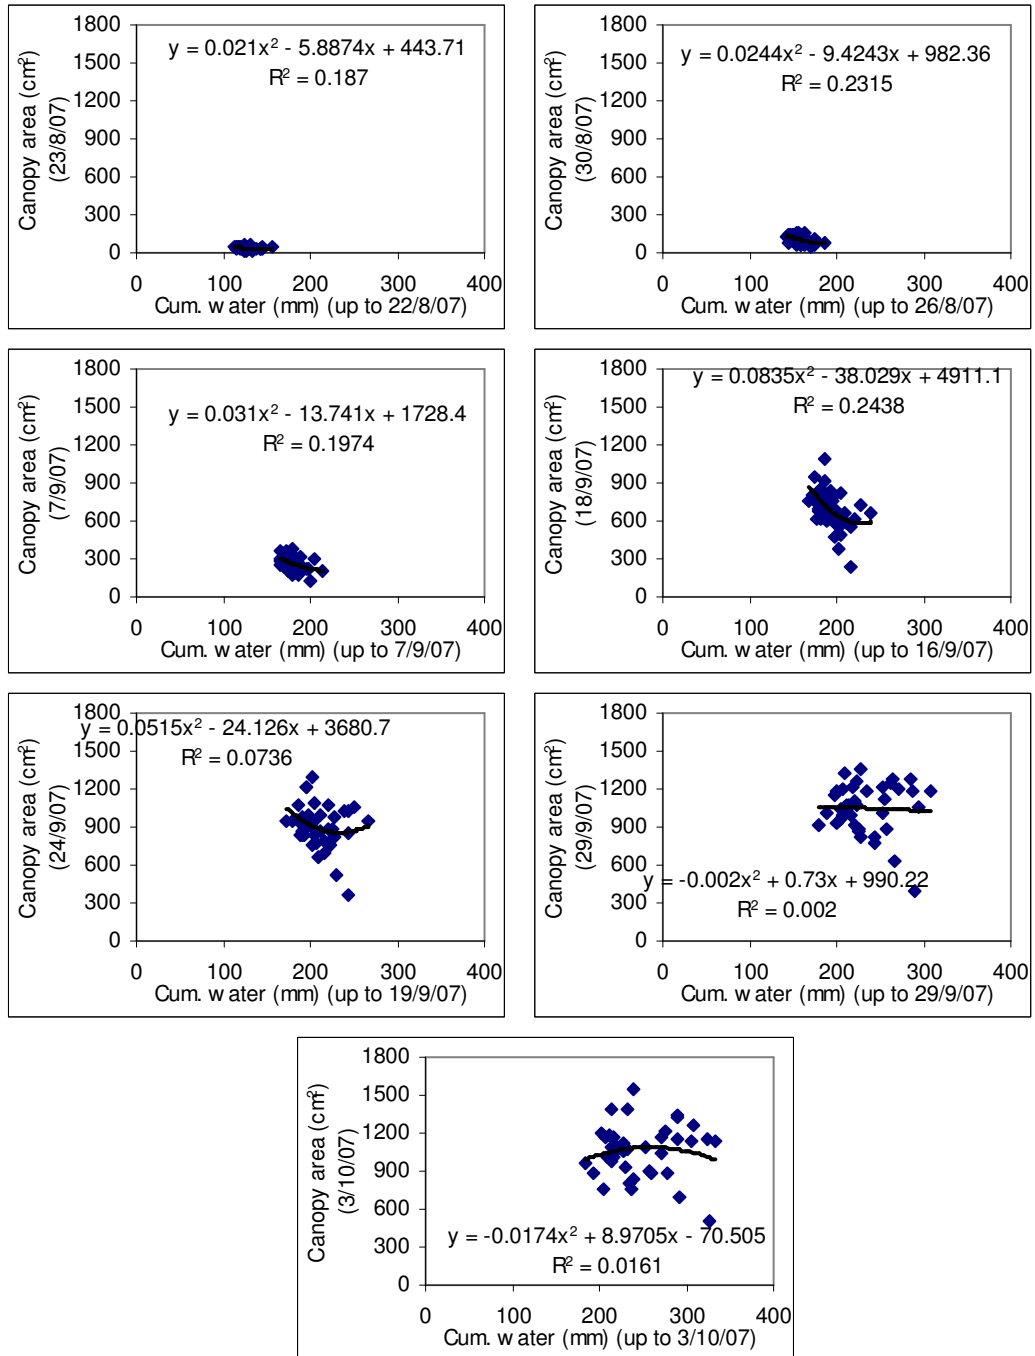

Relationships of cumulative water application and head diameter for the Poor-1 grid (winter trial)

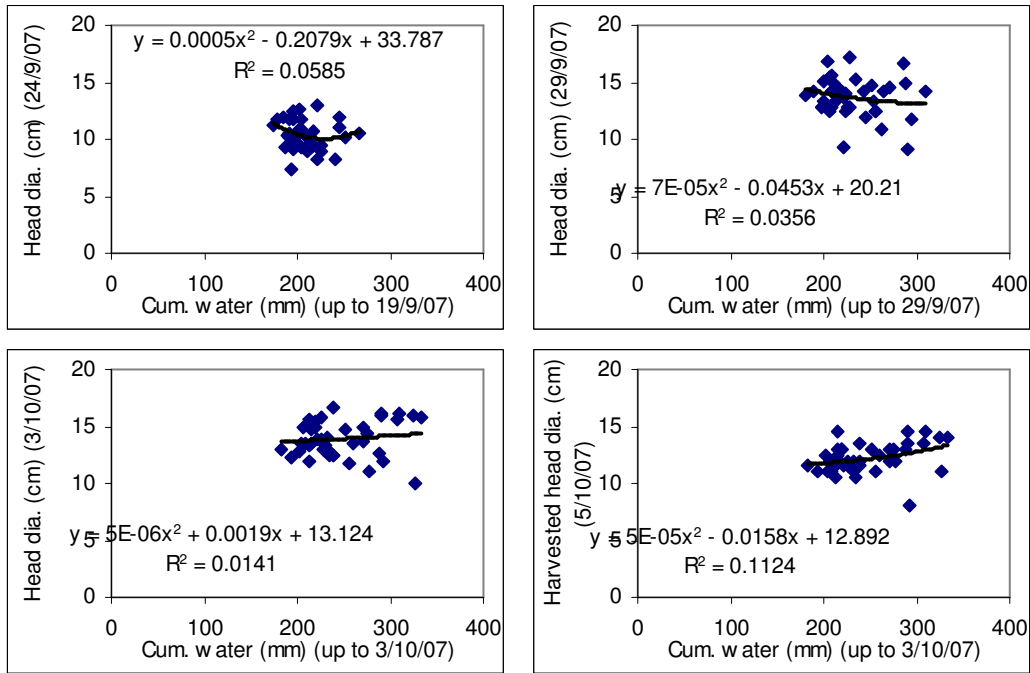

Relationships of cumulative water application and canopy area for the Poor-2 grid (winter trial)

Relationships of cumulative water application and head diameter for the Poor-2 grid (winter trial)

Relationships of cumulative water application and canopy area and head diameter for the Control grid (winter trial)
