Asia-Pacific Journal of Public Health

Editor: [Wah Yun Low](#) University of Malaya, Malaysia

Published in Association with [Asia-Pacific Academic Consortium for Public Health](#)

Description:

Increase in Frequency: Published quarterly in 2008!

SAGE is delighted to announce the publication of **Asia-Pacific Journal of Public Health** beginning in January 2008. Published in association with the [Asia-Pacific Academic Consortium for Public Health \(APACPH\)](#) this is a peer-reviewed, quarterly journal that focuses on health issues in the Asia-Pacific Region. APJPH publishes original articles on public health related issues, including implications for practical applications to professional education and services for public health and primary health care that are of concern and relevance to the Asia-Pacific region.

The editor-in-chief welcomes manuscripts on all aspects of public health, as well as global challenges in public health, emerging and re-emerging infectious diseases, health security, disaster management, and chronic disease. For manuscript inquiries, please contact Wah-Yun Low, Ph.D at lowwy@um.edu.my.
