#### Papers

21 Building an E-readiness Self-Assessment Tool for NGOs: an African Experience

Jean-Paul Van Belle

University of Cape Town, South Africa

22 An Exploration of Green IT Adoption, Drivers and Inhibitors

Alemayehu Molla

RMIT, Australia

55 Engineering process outsourcing in context of India

Timo Ingalsuo

University of Tampere, Finland

24 Do Religious and Other Values Impact Attitude Towards Technology

Development—A Cross-Cultural Study of India and the USA

Kallol Bagchi

University of Texas at El Paso, USA

44 Knowledge Sharing Between Open Source Firms and Open Source Communities: A

*Social Capital Perspective*

Swanand Deodhar; K.B.C. Saxena  
Management Development Institute

*32 Technology Strategic Planning- Knowledge Based Systems A Part Of It*

Jayalekshmi K.R  
Sterling Institute Of Management Studies

*19 Service Management Center : Addressing fault management needs for NGN*

Amit Kohli  
Orange Business Services

*29 Governance Driven KM Strategy Implementation - Case of a Captive Offshoring Unit in India*

Ganesan Kannabiran  
NIT  
Chandrasekar Pandyan  
Fidelity Business Services India

*58 Divide and Conquer Based Clustering Using K Means Algorithm*

Partha Sarathu Bisnu; V Bhattacharjee  
Birla Institute of Technology

*26 Behavioral Finance With reference to - Mega IPO of Reliance Power Ltd*

Mahesh Halale  
Vishwakarma Institute of Management

*43 A Framework of experience in innovation for E-Learning*

Mayuri Duggirala  
Indian Institute of Technology

*45 Ant-based TCP congestion avoidance mechanism over mobile Ad-Hoc network's*

Subhankar Joardar  
St. Xavier's College  
Vandana Bhattacharjee  
Birla Institute of Technology

*60 Signature Recognition using connectivity of segments and Levenshtein distance*

Rashmi Welekar; Aarti Karandikar  
R.K.N.E.C.

*41 Fingerprint Recognition using Block Filter Thinning*

Ravi J  
Global Academy of Technology

*K. B. Raja; Venugopal. K. R*  
*University Visvesvaraya College of Engineering*  
*L. M. Patnaik*  
*Defense Institute of Advanced Technology*

*42 Multilevel Wavelet Fusion Steganography*  
*Manjunathareddy H S*  
*Global Academy of Technology*  
*K. B. Raja, Venugopal. K. R*  
*University Visvesvaraya College of Engineering*  
*L. M. Patnaik*  
*Defense Institute of Advanced Technology*

*20 A Service-oriented Approach to Information Security Management*  
*Rahul Rastogi*  
*EIL India*  
*Rossouw von Solms*  
*Nelson Mandela University, South Africa*

*11 Offshoring from Brazil or India - an European view*  
*Mikko Ruohonen*  
*University of Tampere, Finland*

*7 Taxonomy of Drivers for Strategic Information Systems Planning (SISP): Multinational Perspective*  
*Abdullah Basahel, Zahir Irani*  
*Brunel University, UK*

*10 Trialling wireless handheld devices in a clinical setting: a Queensland case study*  
*Tiana Gurney*  
*University of Southern Queensland, Australia*

*1 Changing Impact of Mobile Devices on SMEs in New Zealand*  
*Hira Sathu*  
*Unitec, New Zealand*

*59 Sense and Respond Capability - Study of the role of Enterprise Systems*  
*Ravi Seethamraju*  
*The University of Sydney, Australia*

*67 A Quantitative Model Based Analysis of Uncertainties Influencing User Satisfaction with Search Engine*  
*Amit Kohli*  
*Orange Business Services*
