The Painted River Project Exhibition

This unique exhibition follows the first edition of the Painted River Project event held in Moree in April 2021.

Featuring the works of travelling, professional artists together with our local artists, this dynamic exhibition of *en plein air* landscape paintings captures the special beauty of our region. Showcasing some of our most loved river settings, including Mary Brand Park and Gum Flat Reserve, this exhibition is a celebration of collaborative creativity inspired by shared experience.

Featured artists include Lucy Culliton, Rhett Brewer, Joe Furlonger and more.

We hope you can join us!
